

Double Sided Stepladders

***Professional 170kg
Double Sided Sepladder***

- Punchlock® tread design and deep fascia top caps increase torsional rigidity of the overall ladder frames
- Industrial Duty Rated. Designed for use on industrial work sites where greater strength and safety is required
- Extra Heavy Duty, 170kg Load Rating
- Strong, heavy duty extruded aluminium construction with additional “Tri-brace” tread bracing
- Double sided for greater versatility and greater load bearing strength
- The incorporation of interlocking top caps also adds strength and stability
- Internal spreader arms, heavy duty steel - cross braced. Available on models 1.8 to 2.4m.
- Anti-slip rubber feet for maximum grip on any surface with reinforcing plates to prevent foot twist for added safety and stability
- Made to Australian and New Zealand Standards AS/NZS 1892.1
- Australian Made and Owned
